EVERY LOCKER MADE TO MATCH

Engineered for **Everyday** Use.

- **5 Year Guarantee**

Enjoy lasting peace of mind with five-year guarantee, giving you the confidence in the quality, reliability and durability of your lockers.

- **Multiple Configurations**

Available in 1, 2, 3, 4, 6, 10 and 16-door configurations, making it easy to find the perfect storage solution for your space and requirements.

- **Label Holders as Standard**

Name cards can be slotted in and quickly replaced whenever lockers are reassigned, always keeping identification clear and up to date.

- **24 Colour Finishes**

Match your lockers to your interior or branding for a colour coordinated finish.

- **FIRA Certified**

Independently tested by FIRA to meet recognised standards for strength, safety and durability, providing trusted assurance of lasting quality and performance.

- **Added Extras**

For added convenience, 1 door lockers include a door stiffener, shelf and double coat hook, while 2 door lockers feature a double coat hook in each compartment.

- **Free Delivery**

Available across mainland UK, with delivery typically completed within four weeks during normal trading periods*.

- **Lock Upgrades**

Cam locks with two keys are included as standard, with mechanical, digital or RFID options available for a cost.

24 Colourways.

Every finish shown on the standard single-door lockers are available in all 7 configurations (1, 2, 3, 4, 6, 10 & 16 compartments).
