Locker O+M Guide

After Care Guidance for Steel and Laminate Lockers

TO HELP GET YOU STARTED

Here are some tips that apply to all products;

- Use only a soft cloth.
  Avoid abrasive clothes and similar items that may cause damage
- Keep harmful liquids away from the products
- Do not use aerosols, solvents or abrasives

TERMS OF WARRANTY

- Garran's warranty is valid only on standard products supplied in mainland UK and given subject to the product being used for the purpose for which they are designed, with the exception of fair "wear and tear".
- All standard products supplied are guaranteed against defective components and workmanship from the date of manufacture, under fit for purpose use for warranty as specified
- Warranty is valid only where; the product has been used for the purpose for which it has been designed and has not been subject to any misuse, unauthorised repair, replacement modification or alteration. The goods have been paid for in full

STEEL

Our Lockers are considered to be maintenance free, however the following should be observed during their lifetime.

- Dust with a clean, soft cloth or the dusting tool on your vacuum
- Use a soft sponge dampened in a detergent and water solution
- Rinse and wipe dry with a clean cloth
- Following these simple maintenance procedures will enable trouble free use. In the unlikely event any problems do occur call

LAMINATE

- Dust with a clean, soft cloth
- Use a soft sponge dampened with water
- Remove the stain as quickly as possible from the surface of the HPL
